# The App

The image shows a mobile application interface for 'TextBooked'. At the top, the status bar displays signal strength, Wi-Fi, the time 9:41 AM, and 100% battery. The app's logo 'TextBooked' is prominently displayed in a large, bold, black font, with the tagline 'Buy & Sell Used Textbooks' underneath in a smaller font. Below the logo, there are two input fields: 'Username' with a person icon and 'Password' with a lock icon. A white 'Login' button with a black border is positioned below the password field. Underneath the 'Login' button is a blue button with white text that says 'Login with Facebook'. At the bottom of the screen, there are two links: 'Create Account' on the left and 'Forgot Password' on the right.
