

TextBooked

Jordan Woods
April 2, 2018

What is it?

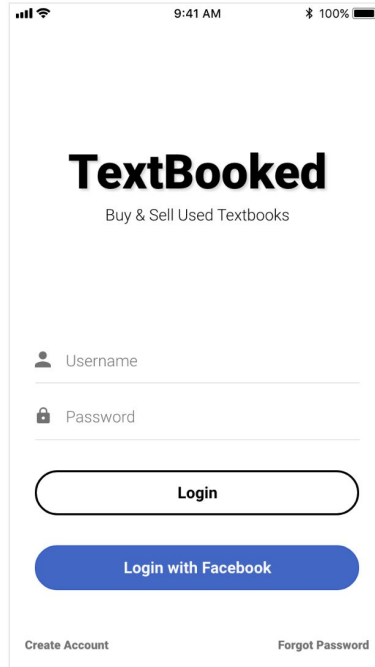

Goals

- Textbook exchanges
 - Simplified
 - Broader audience
- Learning experience for me

Justification

- Learn iOS development
- Frontend, backend, & database
 - Swift
 - Xcode
 - Firebase
 - Cocoapods
- Applicable to LMU

User Interface

A mobile application login screen for 'TextBooked'. The screen features a white background with a black status bar at the top showing signal strength, time (9:41 AM), and battery level (100%). The app's logo 'TextBooked' is prominently displayed in bold black text, with the tagline 'Buy & Sell Used Textbooks' underneath. Below the logo are two input fields: 'Username' with a person icon and 'Password' with a lock icon. A white 'Login' button with a black border is positioned below the password field. Underneath the 'Login' button is a blue 'Login with Facebook' button with white text. At the bottom of the screen, there are two links: 'Create Account' on the left and 'Forgot Password' on the right.
